

~ *Your Annual Plea* ~

The name of the website you go to make a safe and secure online donation caught my eye – “squareup”. How appropriate is that? – hitting the nail right on the head. So, square up, and if you can afford to, send in that donation that helps keep our Family’s heritage alive and well now, and for the future generations. If you prefer, just send that check in, or go online with your cell phone or computer, but by all means, let’s square up, cousins.

This is a secure website from Square (similar to PayPal) that’s used by lots of retailers that use their iPhones to swipe your credit card. On the Checkout page, enter your billing information and card details. MM/YY is where you enter the card’s expiration date, CVV is for the three digit security code from the back of the card, and the five digit number to the right is for the card’s billing zip code. You’ll receive an email confirmation of your donation. Don’t worry; no credit card info will be retained by Square.

If there is something specific you’d like your donation to go toward, let us know and I’ll be sure to look after that request. See you at the Reunion, if not in body, then in spirit.

Yes, I can help support the Reunion and Jones Valley. Enclosed is my contribution, a check for \$ \_\_\_\_\_. (Make payable to Clingman-Jones Family Trust.)
